

BASHAR OKKA, M.D.

Internal Medicine physician

A native of Syria, Dr. Okka completed his residency at St. Joseph Mercy Oakland in Pontiac, Michigan, and joined Clarkston Internal Medicine in 1998. With a Dr. Okka special interest in inpatient care and cardiovascular disease, he has an extended practice that includes practicing as a hospitalist treating other physicians' patients. Dr. Okka comes from a family of physicians who are committed to providing excellent medical care to their local communities. His father and brothers are all board certified practicing physicians and Dr. Okka continues this family tradition. His caring personality and passion to provide the best health care available is widely known by his patients. A resident of Oakland County with his wife, and three children attending an Oakland County school, Dr. Okka has a strong sense of community and is currently accepting new patients.
